4. Attention is drawn to the following rules :—

(1) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and, in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

(4) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Commissioner.

(5) *Any candidate suspected of having had recourse to malpractice of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.*

(6) *No candidate will, on any account, be allowed to take into the examination room, ink, slates, books, ruled sheets, manuscripts or papers of any kind.* Any one detected in the violation of this rule or having recourse to any unfair practices, will be removed from the room and the occurrence reported to the Commissioner. Candidates will, however, be allowed the use of mathematical instruments for drawing figures or ruling lines.

(7) Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents, giving full particulars in regard to themselves *including their address* and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(8) Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

(9) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

(10) Any answer paper sent up without the candidate's name and number affixed will not be valued.

(11) Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

(12) Candidates are forbidden to tear up papers or to throw ink or papers on the floor. All "spoilt copies, etc.," should be left on the desk where the candidate has been writing.

UNIVERSITY OF MADRAS.

THE ANNE ISABELLA SUBRAHMANYAM SCHOLARSHIPS.

I. The following are the terms of award of the above scholarships as amended by the Senate at its meeting held on the 5th March 1909:—

These scholarships were founded for promoting the study of Medicine amongst Native Christians of Southern India by Diwan Bahadur Narayana Aiyar Subrahmanyam, B.A., B.L., of Madras, Barrister-at-Law, in memory of his late wife Anne Isabella Subrahmanyam. The first endowment was accepted by the Senate on the 21st September 1895, the second endowment on the 21st April 1900, and the third endowment on the 31st August 1901 and the endowments now amount to the aggregate to Rs. 30,000.

2. The endowment for each scholarship consists of Rs. 6,000 invested in 3½ per cent. Government securities, the interest accruing from which is to be devoted for the support of a student in Medicine in the Madras Medical College studying for the Degree of Bachelor of Medicine and Master of Surgery of the University of Madras.

3. In the event of a scholarship not being awarded in any year, the unused interest shall be added to the trust funds. The interest accruing from such accumulations shall be utilized in suitably increasing the amount of each scholarship, subject to a maximum of Rs. 35 per mensem. The surplus interest accruing from the trust funds over and above thirty-five rupees per mensem per scholarship shall, as the Senate of the University determine, be applied in endowing some other scholarship in the University, or in the purchase of a medal or prize to be awarded to any student of the University whom the Senate may select for encouragement in the study of Medicine.

4. It shall be lawful for the Senate of the University, from time to time, with the consent, during his lifetime, of the founder, to make new regulations with respect to the scholarships, always provided that they do not divert it to any other purpose than the encouragement of the study of Medicine by Native Christians.

5. In any event occurring to prevent the following rules from being carried out, it shall be lawful for the University to apply the trust funds of these scholarships in such manner as will carry out the object of the founder, viz., the promotion of the study of medical science by Native Christians of Southern India.

6. The rules that have been framed are as follows:—

(*a*) The scholarships shall be called the "Anne Isabella Subrahmanyam Scholarships".

(*b*) By the terms of the deed of endowment (given in the University Calendar, Appendix, Volume I, for 1898-1900, page 218) the scholarships are open to Native Christians, male or female, of the Presidency of Madras, or of the states of Mysore, Travancore, Cochin or Pudukkottai. A scholarship will be awarded each year to a student entering the Madras Medical College in the first year's class of the course for the Degree of Bachelor of Medicine and Master in Surgery of the University of Madras. It shall be awarded by the Syndicate on the recommendation of a committee of three members of the Faculty of Medicine of whom the Principal of the Madras Medical College shall be one.

(*c*) A scholarship shall be tenable under existing rules for five years or for the period required to qualify for the M.B. and C.M. degree of the University of Madras.

(*d*) Failure to pass any one of the examinations for the Degree of M.B. and C.M. of the University of Madras at the earliest opportunity on which the holder is admissible to it entails forfeiture of the scholarship. In the case of failure to pass one such examination, however, the Syndicate, on the application of the holder of a scholarship may merely suspend the scholarship for one year. If the holder be successful within this period, it shall be lawful for the Syndicate to augment the scholarship for the remainder of the period for which the holder may be entitled to it.

(*e*) It shall be lawful for the Syndicate to declare that the holder of a scholarship has forfeited it for any misconduct which they may consider a sufficient cause for such forfeiture, and there shall be no appeal from the decision of the Syndicate.

II. In accordance with the above terms of award of the Anne Isabella Subrahmanyam Scholarships it is hereby notified that one scholarship is now vacant. Applications for the same should be submitted so as to reach the Registrar on or before the 30th April 1909.

GENERAL NOTIFICATIONS.

NOTIFICATION.

The tomb of William Chevering—the circumstances connected with whom are given below—appears from the records to be situated 40 yards to the south of the traveller's bungalow between two banyan trees at Hospet, Bellary district; but on the ground there is no trace of the tomb at that position. There are, however, some nearly packed stones resembling a tomb between two banyan trees to the north of the traveller's bungalow, but there is no evidence that this is William Chevering's tomb.

2. This tomb is in a ruinous condition and it will be levelled with the ground under G.O. No. 467 W., dated 29th April 1907, if the relations or friends of the deceased fail to take steps to restore it within six months from this date.

Year.	Name, parentage and age.
1854	William Chevering, aged 22 years.

The circumstances of his death are as follows:—He landed from England in May 1853, and in the latter part of 1854 was engaged in laying the telegraph line from Bellary to Secunderabad. When on the point of joining the working party, which was spanning the Tungabadra river some few miles above Hampasagar, he was attacked by cholera and died in the Hospet Traveller's bungalow. He was a man of good birth, and closely connected with the family of Cheverings in Northumberland, and had he lived a few months longer would have succeeded to a Baronetcy. A short time after his death a Government enquiry was instituted and a report sent in by Mr. Brunton, at that time Superintendent of Telegraphs. Mr. Jones was present at the time of the death; and Mr. C. Dawson, now store-keeper at Kurnool, was also a member of the working party.
